Subject: Productivity Commission inquiry into disability care and support - completion of inquiry

The Commission's inquiry into Disability Care and Support has now been completed, and the final report sent to the Government for consideration. The public release of the report is a matter for the Government to decide. When that occurs, the report will be available on the inquiry website, and printed copies will be sent to all participants who made submissions or who met with the Commission.

The Commission is very grateful to all those who contributed to this inquiry.
